Description

The D_FAMILIE_ID is the personal identification number of the person who identifies the D-family. If the D-family only consists of one person with or without children the D_FAMILIE_ID is the persons own identification number. In families which consists of a man and a woman the D_FAMILIE_ID is identical with the woman's social security number. In other families the D_FAMILIE_ID is identical with the social security number of the oldest person in the D-family.

C-families are identified by C_FAMILIE_ID and D-families are identified by D_FAMILIE_ID
